ADDENDUM 1
SOQ NO. 20-6530
TO PROVIDE PROFESSIONAL SERVICES FOR
JOHN HOPKINS FORCE MAIN REPLACEMENT
FOR THE CITY OF KENNER

THE FOLLOWING ARE QUESTIONS PRESENTED:

Q1: What supplemental service(s) (Survey, Geotech, etc.) is the City looking for?

A1: The SOQ does not mention supplementary services. The SOQ is for design phase services only as the design phase of the project is the only phase being paid through the EPA Lake Pontchartrain Basin Restoration Program Grant. Other supplemental services such as the survey and geotechnical investigation will be funded by another funding source if needed for this project. Therefore, the only sub-consultants that are required to be included in the SOQ are any sub-consultants that will be used for the design phase.
