REQUEST FOR STATEMENT OF QUALIFICATIONS

Section I. **Introduction**

The City of Kenner Department of Public Works is hereby soliciting qualifications from architectural and engineering firms interested and qualified to provide professional services for the following project funded in whole or part by FEMA.

PROJECT NAME: *Kenner Sewer Treatment Facility Operations Buildings 428 Project*

In light of the damage caused by hurricane Ida on August 29, 2021 and in anticipation of future risk from natural disasters, and in consideration of the importance of the built environment to the community, the City of Kenner intends to repair and or replace its Sewer Treatment Facility Operations Buildings via an Alternative Procedures for Permanent Work under Section 428 project.

Section 428 allows a community to drive its own recovery. The Section 428 Sewer Treatment Facility Operations Buildings Project will enable the city to use its FEMA funds in a manner that best meets Kenner's specific needs for recovery, long-term resiliency, and future preparedness in repairing and/or replacing the Sewer Treatment Facility Operations Buildings.

Facilitation of a Section 428 Program requires a negotiated fixed cost estimate/capped grant amount in settlement of all FEMA obligations to the City of Kenner for damages to its Sewer Treatment Facility Operations Buildings from hurricane Ida for the projects included in the cost estimate.

To provide the services required to make recommendations for repairs, rebuilding or potential reconfiguring of the operations buildings and formulate a plan for moving forward, and to provide the required cost estimates, a firm will need to first determine the best ways to approach each of the uses and service delivery systems of the former facilities. Therefore a planning rationale is key to the design solutions the city is seeking to improve facility performance.

This RFQ packet includes the project scope of work, funding source, submission instructions and rating criteria for the Kenner Sewer Treatment Facility Operations Buildings 428 Project.

Interested individuals or firms may either pick up a Statement of Qualification packet from the City of Kenner Finance Department, 1610 Rev. Richard Wilson Drive, Kenner, LA 70062, request a packet from FINCONTRACTS@KENNER.LA.US, or download the packet at both WWW.CENTRALBIDDING.COM and www.kenner.la.us. Completed packets are to be returned to the Finance Department no later than **10:00 a.m., Tuesday, February 8th, 2022.**

The City of Kenner reserves the right to reject any and all submissions.

Section II. Project Scope of Work

PROJECT NAME: *Kenner Sewer Treatment Facility Operations Buildings 428 Project*

This project will fund the architectural design and engineering services necessary to repair and/or replace the damaged Sewer Treatment Facility Operations Buildings. Deliverables will include:

- a design rationale report, inclusive of conceptual plans, with recommendations for the best approach to repairing and/or replacing the operations buildings to meet the city's need to maximize performance of the operations of the sewer treatment plant and collection system, to withstand threat from future natural disasters;
- recommendations for improvements to be completed under Section 406 that reduce the risks of future disaster to the repaired/replaced facilities;
- construction documents;
- detailed Damage, Description and Dimension, Scope of Work and cost estimate of all repair/replacement and improvement work presented in a format that meets FEMA Section 428 requirements. This should include both an estimate to restore the facilities to previous condition and use, as well as a scope and cost estimate to replace the facilities in a manner consistent with the city's accepted alternative project.

The list of buildings includes but is not necessarily limited to:

Administration Trailer No. 1 - Administrative staff offices (Director, Assistant Director, Office Manager, Accounting Assistant, and Secretary III, conference room, copy machine, and file storage.

Administration Trailer No. 2 - Offices (Collection System Manager, Lift Station Foreman, Pretreatment Coordinator), and file and plans storage

Time Clock Building - Time clock and file storage.

Pipe Yard Blue Shed - File storage

Pipe Yard White Shed - Equipment and repair parts storage

Large Blue Maintenance Shop - Equipment, parts, supplies, and work area for maintenance personnel and equipment and supplies for collection system personnel, and Pretreatment Program equipment and file storage.

Small Blue Building - Supplies and small equipment storage.

Solids Handling Building (Belt Press Building) - Filter belt presses, sludge conveyor, sludge pumps, polymer blending units, electrical control room, office, and one rest room/shower.

Collection System Chemical Storage Area - Liquid smoke, deodorizers, sanitizers, and oils.

South Press Blower Building - Three blowers and electrical controls.

Mechanical Operations Building - Laboratory, plant SCADA room, Motor Control Center for incoming plant electrical feeds, utility room, Plant Maintenance office, break room, small parts and equipment storage, file storage, two restrooms, and one restroom/shower.

Phase I: Planning

The design professional will conduct an evaluation of the current buildings, their functions, and what opportunities may exist for increasing performance of those functions by reconfiguring structures and uses by incorporating green and resilient design features inclusive but not limited to LEED construction performance goals. A design rationale report will be provided based on consideration of all functions from a sewer treatment operations engineering perspective.

Phase II: Design

The design professionals will provide construction documents and specifications (not limited to but inclusive of approved Professional Engineering stamped reports and drawings) to repair/replace/improve the new facilities. The awarded vendor can ultimately utilize all supporting documents to create the Damage, Description and Dimension, Scope of Work and Cost Estimate. Special consideration will be given to vendors who can demonstrate cost effective hazard mitigation proposals that incorporate resilient, energy efficient and modern information technology practices and principles that can reduce the risks from future disasters and be implemented under Section 406.

Phase III: Cost Estimate

The design professionals will aid communications (inclusive of negotiations) with FEMA to provide a detailed cost estimate to rebuild the facility presented in a manner that meets FEMA Section 428 requirements.

Phase IV. Bidding and Construction Supervision

See Section III. Management and Professional Capacity

Funding: FEMA Section 428

Section III: Management and Professional Capacity

The level and scope of services will be further defined and determined by the City of Kenner. The scope of services which the consultant must be prepared and qualified to provide are as follows:

1. Review the specifics of the project's requirements, special considerations, and all relevant information such as feasibility studies, state laws, regulatory codes and city ordinances, utility company standards and site conditions. Conduct on-site inspection with pertinent staff of the City of Kenner.
2. Provide plans, specifications and opinion of probable construction cost estimate for review by the City of Kenner.
3. Prepare and distribute detailed construction plans and bid specifications for bidding of the project, and assist the City of Kenner in opening, tabulating, and recommending award of a contract.
4. Provide periodic inspection of the project during the construction phase to safeguard and ensure that the project is being implemented in accordance with and in compliance with project plans and specifications.
5. Comply with all provisions of Executive Order 11246, entitled "Equal Employment Opportunity" as amended by Executive Order 11375, and as supplemented in the Department of Labor regulations (41 CFR, Part 60).
6. This project is proposed for funding in whole or part by FEMA and is subject to all applicable federal rules and regulations pertaining to the funding source.

Section IV. Compensation

Compensation for the required services will be made on a lump sum fixed fee basis per individual work task. The City reserves the right to dictate method of payment.

All fees shall be negotiated with consultant by appropriate City Department personnel and shall be mutually agreeable to both parties.

Section V. Minimum Requirements for Selection

The City of Kenner will select the qualified firm(s) that is best suited for the proposed project, and will negotiate rates and estimated costs prior to award. The City reserves the right to select one or more persons/firms for any anticipated/proposed work.

The persons or firms under consideration shall have at least one (1) Registered Professional Civil Engineer in the State of Louisiana, at least one (1) professionally Louisiana licensed architect with experience appropriate to the project, and can show experience in design/engineering for local government sewer treatment facility operations facilities.

The persons or firms under consideration must also employ a full-time supporting technical and clerical staff.

The firms submitting a Statement of Qualification must identify all sub-consultant firms which they expect to use to provide professional services, and submit a Statement of Qualifications form for each sub-consultant firm.

Upon selection, the successful firm must produce insurance certificates to the City of Kenner per Attachment C.

Section VI. Selection and Rating Criteria

All proposals will be scored and ranked in accordance with the selection and rating criteria contained herein with the highest rated consultant being awarded a contract provided that they are not on the State/Federal consolidated list of debarred contractors.

The following criteria will be used to evaluate the Statement of Qualifications of the firms submitting:

1. Professional training and experience of Key Personnel both generally and in relation to the type and magnitude of work required for the particular project including experience with FEMA funded projects - **35 points**
2. Past performance by the person or firm on public contracts, i.e. experience with federally funded programs or projects including any problems with time delays, cost overruns, and/or design inadequacies in prior projects for which said person or firm was held to be at fault, as evidenced by documentation provided by the administration - **10 points**
3. The nature, quantity, and value of City work previously performed and presently being performed by the person and/or firm submitting, with the intent being to provide maximum opportunity for different firms to work for the city - **10 points**
4. Capacity for timely completion of the work, taking into consideration the person's or firm's current and projected workload and professional and support manpower - **15 points**
5. Demonstration of experience in resiliency, cost effective hazard mitigation, green/energy efficient and modern information technology practices and principles that can reduce the risks from future disasters and be implemented under Section 406. - **10 points**
6. The size of the firm based on the number of personnel, as related to project requirements and/or scope - **10 points**
7. Past and current professional accomplishments for which references from clients or former clients and information gathered by inspection of current or recent projects may be considered - **10 points.**

II GENERAL SPECIFICATIONS

A. Engineer's Liability Insurance:

The ENGINEER shall purchase in its name and maintain at its sole cost and expense such liability and other insurance as set out in the insurance requirements of this Contract. This insurance will provide primary coverage for claims and/or suits which may arise out of or result from the ENGINEER's performance and furnishing of the Work, whether it is performed by the ENGINEER, any subcontractor, partner, supplier, or by anyone directly or indirectly employed by any of them to perform or furnish any of the Work, or by anyone for whose acts any of them may be liable and shall name The City of Kenner, its elected and appointed officials, agents, directors, servants, employees, and volunteers as an additional insured there under. Additionally, the ENGINEER should be aware of and comply with any requirements of its own insurance policies.

The ENGINEER shall require all subcontractors to maintain, in limits equal to or greater than ENGINEER's, the same insurance coverage for Work performed or materials provided for the Work. The ENGINEER shall insert this requirement in all contracts or agreements written and/or oral with all entities and/or persons who perform any Work under this Contract. At no time shall the ENGINEER allow any subcontractors to perform Work without the required types and limits of insurance coverage.

B. General Requirements:

1. Qualifications of Insurers:

- a. All insurance coverages required for this Contract are to be purchased and maintained by the ENGINEER from insurance companies that are duly licensed by the State of Louisiana to issue insurance policies for the limits and coverages so required. Such insurance companies utilized are to have a minimum rating of A VI as of the most currently published *A.M. Best Guide*.

b. If the insurance company providing any insurance coverage furnished by the ENGINEER is declared bankrupt, becomes insolvent, has its right to do business in Louisiana terminated, or it ceases to meet the requirements of this Contract, the ENGINEER shall, within thirty (30) days thereafter, substitute another insurance company(s) acceptable to KENNER. KENNER reserves the right to mandate cessation of all Work until the receipt of acceptable replacement insurance.

2. **Partnerships:** If the ENGINEER is a partnership then the evidence of all primary and excess liability insurance required to be maintained during the term hereunder shall be furnished in the name of the partnership. Evidence of continuing primary commercial general liability insurance, which shall remain in effect in the name of partnership shall also be furnished.

3. **Certificates of Insurance/Policies of Insurance:**

a. The ENGINEER shall deliver to KENNER certificates of insurance, with copies to each additional insured identified in the Contract, evidencing all insurance which the ENGINEER has purchased and shall maintain in accordance with this Contract. In order to avoid confusion and/or delays in the progress of the Contract it is mandatory that within ten (10) days after the notification of the award of the Contract, the ENGINEER shall furnish to KENNER the certificates of insurance as required in this Contract. It is imperative that the certificates show all form numbers and edition dates and that all certificates are in compliance with this Contract. Where Insurance Service Office (ISO) or National Council on Compensation Insurance (NCCI) forms do not provide the coverage, then, at a minimum, "sample" or "draft" policies and/or forms and endorsements shall be furnished to KENNER attached to the certificate. KENNER reserves the right to require a complete copy of all policies, forms and endorsements, if it is deemed necessary.

b. Except for those insurance policies which require a "per project" aggregate all certificates of insurance for policies that contain an aggregate limit must be accompanied by a statement that the aggregate limit is not impaired, or, if the aggregate limit is impaired, to what extent. KENNER may require that any impaired aggregate(s) be replenished in its favor prior to commencement of Work and/or during the progress of the Work.

c. If the ACORD Certificate of Insurance Form is used, the cancellation portion of the Certificate is to be modified by deleting the words "endeavor to" which appear before the number of cancellation days and by deleting the phrase "but failure....agents or representatives." The Certificate shall also be modified by stipulating that KENNER will receive thirty (30) days prior written notice of any material adverse change(s) to and/or non-renewal of the respective policy (s). All certificates of insurance shall list all endorsements attached to the respective policies and if the listed endorsements are not ISO and/or NCCI forms then a copy of the endorsements is to be attached to the respective Certificate of Insurance.

KENNER reserves the right to request removal of any endorsement(s) that it finds jeopardizes its own insurance portfolio. KENNER reserves the right to request certified copies of any policy(s) evidenced by the Certificate(s) of Insurance. The requested certified copies should be provided to KENNER within ten (10) days of the written request.

4. **Objection by KENNER:** If KENNER has any objection to the coverage afforded by or any other provisions of the insurance required to be purchased and maintained by the ENGINEER in accordance with the insurance requirements for the Work on the basis of non-conformance with the Contract, KENNER shall notify the ENGINEER in writing within fifteen (15) days after receipt of the Certificates. The ENGINEER shall provide a written response to KENNER's objections within ten (10) days from the date of the letter request.

5. **The ENGINEER'S Failure:** Upon failure of the ENGINEER or his subcontractor to purchase, furnish, deliver or maintain such insurance as required herein, at the election of KENNER, the Contract may be forthwith declared suspended, discontinued, or terminated. Failure of the ENGINEER to purchase and maintain insurance shall not relieve the ENGINEER from any liability under the Contract, nor shall the insurance requirements be construed to conflict with the obligations of the ENGINEER concerning indemnification.

6. **No waiver of liability:** Acceptance of evidence of the insurance requirements by KENNER in no way relieves or decreases the liability of the ENGINEER for the performance of the Work under this Contract. Additionally, the ENGINEER is responsible for any losses, expenses, damages, claims and/or suits and costs of any kind which exceed the ENGINEER's limits of liability or which may be outside the coverage scope of the ENGINEER's insurance policies. The insurance requirements outlined in this Contract shall in no way be construed to limit or eliminate the liability of the ENGINEER that may arise from the performance of Work under this Contract. The ENGINEER's coverage is to be primary for any and all claims and/or suits related to or arising from the Work and any of the insurance coverage(s) maintained by KENNER is/are to be deemed as excess of the ENGINEER's insurance coverage and shall not contribute with or to it in any way.

7. **No Recourse Against KENNER:** The insurance companies issuing the policies shall have no recourse against KENNER for payment of any premiums, deductibles, retentions or for assessments under any form or policy. These shall be borne by and be the sole responsibility of the ENGINEER.

FEMA CONTRACT PROVISIONS

REMEDIES. Pursuant to 2 C.F.R. Part 200, Appendix II(A), the City of Kenner reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.

TERMINATION FOR CAUSE AND CONVENIENCE. Pursuant to 2 C.F.R. Part 200, Appendix II(B), when a City of Kenner expends federal funds, the City of Kenner reserves the right to immediately terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Offeror as detailed in the terms of the contract.

A. Equal Employment Opportunity

During the performance of this contract, the Contractor agrees as follows:

1. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor will affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not limited to the following:

- a. Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

3. The contractor will not discharge or in any manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

4. The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided, advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5. The Contractor will comply with all provisions of Executive Order 11246 of September, 24 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

6. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8. The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965 so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any Subcontractor or purchase order as the administering agency and may direct as a means of enforcing such provisions, including sanctions for noncompliance:

a. Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

b. The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

c. The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

d. The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

B. The Davis- Bacon Act

Pursuant to 2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II, compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"):

Contractors must pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, Contractors must pay wages not less than once a week. Additionally, pursuant to 2 C.F.R. § 200.326 and 2 C.F.R. Part 200, Appendix II, the non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. Moreover, the non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

C. The Copeland "Anti-Kickback" Act (40 U.S.C. 3145):

Contractor shall comply with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"): Each Contractor or sub-recipient is prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. Furthermore, pursuant to the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), the non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

D. Debarment and Suspension (Executive Orders 12549 and 12689)

Pursuant to 2 C.F.R. Part 200 and 2 C.F.R. Part 3000, Appendix II, Debarment and Suspension (Executive Orders 12549 and 12689)--A contract award (see 2 CFR 180.220) must not be made to parties listed on the government- wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

- (1) This contract is a covered transaction for purposes of 2 C.F.R. Part 200 and 2 C.F.R. Part 3000. As such, the Contractor is required to verify that none of the Contractor, its principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935). Specifically, a covered transaction includes the following contracts for goods or services:

- (2) The contract must comply with 2 C.F.R. Part 180 (C) and 2 C.F.R. Part 3000, (C) and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
- (3) This certification is a material representation of fact relied upon by the City. If it is later determined that the Contractor did not comply with 2 C.F.R. Part 180 (C) and 2 C.F.R. Part 3000, (C) in addition to remedies available to the City, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
- (4) The bidder or proposer agrees to comply with the requirements of 2 C.F.R. Part 180 (C) and 2 C.F.R. Part 3000, (C) while this offer is valid and throughout the period if any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

E. Contract Work Hours and Safety Standards Act

Where applicable all contracts awarded by the non -Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations at 29 C.F.R. Part 5. See 2 C.F.R. Part 200, Appendix II, E.

(1) Overtime requirements

No Contractor or Subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) Violation; liability for unpaid wages; liquidated damages:

In the event of any violation of the clause set forth in paragraph (1) of this section the Contractor and any Subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Contractor and Subcontractor shall be liable to the United States for liquidated damages.

Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$10.00 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

(3) Withholding for unpaid wages and liquidated damages:

The loan or grant recipient shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or Subcontractor under any such contract or any other Federal contract with the same prime-Contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime Contractor, such sums as may be determined to be necessary to satisfy any liabilities of such Contractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

(4) Subcontractors

The Contractor or Subcontractor shall insert in any subcontracts the clauses set forth in paragraph (1) through (4) of this section and also a clause requiring the Subcontractors to include these clauses in any lower tier subcontracts. The Prime Contractor shall be responsible for compliance by any Subcontractor or lower tier Subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.

F. Clean Air Act and the Federal Water Pollution Control Act

Each tier shall also disclose and lobby with non- Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier to the recipient.

ATTACHMENT “H”

44 C.F.R. Part 18- CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements
(To be submitted with each bid or offer exceeding \$100,000)

The undersigned (Contractor) certifies, to the best of his or her knowledge, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal loan, entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form- LLL, “Disclosure Form to Report Lobbying” in accordance with its instructions.
3. The undersigned shall require that the language of this certificate be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly,

This certification is a material representation of fact which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 of each such failure.

The Contractor, _____ certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., apply to this certification and disclosure, if any.
