

JEFFERSON PARISH TO HOLD COUNCIL MEETING IN KENNER

October 9, 2012

For Immediate Release

For the first time in history, Jefferson Parish will hold its Council Meeting in Kenner. The meeting will take place on October 24, 2012 in the Kenner City Council Chambers located at 1801 Williams Blvd, Kenner, LA, 70062. Presentations will begin at 9:30 a.m. and the regularly scheduled meeting will commence at 10:00 a.m.

The change in location transpired from efforts made by Kenner Mayor Michael S. Yenni and Jefferson Parish District 4 Councilman Ben Zahn. Both elected officials have made great efforts to unify local and parish government and publicize this cooperative effort for the benefit of Kenner citizens.

“I look forward to hosting our parish officials in the Kenner Council Chambers as they address their agenda in late October. Having the Jefferson Parish President and Parish Council conduct an official meeting in Kenner will give our citizens an opportunity to hear the issues that are being addressed by our parish leaders,” said Mayor Yenni. “I welcome them to our city and hope they will learn more about our impact on this region when they visit.”

The meeting agenda can be found on the websites for both Jefferson Parish, www.jeffparish.net, and the City of Kenner, www.kenner.la.us, starting October 15th.
