### ONE BLOCK OF 31<sup>ST</sup> STREET CLOSED BEGINNING SATURDAY

**Kenner, LA.** – A one-block section of 31<sup>st</sup> Street, between Jasper and Huntsville streets, will be closed beginning Saturday, Mar. 14, weather permitting, to accommodate roadway restoration associated with a recent sewer lift station replacement, officials said.

The existing asphalt surface is to be removed and replaced, said Kenner Public Works Director Jose Gonzalez.

Fleming Construction is the contractor on the project, which is expected to require that 31<sup>st</sup> Street be closed until March 25.

Traffic control signs and barricades will be in place to notify motorists of the work, and of detours to avoid the closures.
