Vehicle Fire: East Bound I-10 near Loyola Exit

Kenner, LA - April 22, 2013

At approximately 1:30 p.m. a food truck with a trailer caught fire on I-10 eastbound between Williams Blvd and Loyola Dr as a result of a ruptured fuel tank. The rupture resulted in 60-100 gallons of spilled diesel fuel on I-10 and all eastbound traffic is blocked at this time beginning at the Loyola Drive Exit. Travelers are being diverted to the Loyola Drive Exit at this time.

The fire is out at this time. Kenner Fire Department, Police Department, and Public Works are on scene. The Louisiana Department of Transportation and Development are headed to the scene as well. Sand will be spread over the fuel spillage that occurred at the site. Kenner Fire Department has advised there are no hazardous materials involved.
