

CITY OF KENNER

PRESS RELEASE

MICHAEL S. YENNI

Mayor

FOR IMMEDIATE RELEASE

April 29, 2013

KENNER ANNOUNCES WEBPAGE HIGHLIGHTING CONSTRUCTION PROJECTS TO MINIMIZE INCONVENIENCE TO ITS TRAVELERS

Kenner, La- Over the next 12-18 months, the City of Kenner will undergo a significant number of construction-related projects along major thoroughfares and some residential streets. These improvements are a direct result of multiple programs that have committed to investing in Kenner's infrastructure improvements.

The programs and organizations associated with these projects include, but are not limited to the following:

- Paths to Progress Program(sponsored by the Louisiana Department of Transportation and Development)
- Federal Transit Authority
- Louisiana Department of Environmental Quality (sewerage infrastructure)
- State Capital Outlay Program
- Statewide Flood Control Program
- Federal Transit Authority/State Safety Grant
- City of Kenner Public Works Capital Projects
- Corps of Engineers
- Regional Planning Commission

Although the result of these projects will improve roadways and infrastructure for Kenner's travelers, the construction period may cause some inconveniences with regard to traffic and lane closures.

A webpage has been constructed and added to the Kenner website displaying projects that are underway or scheduled to begin in the near future. This webpage provides updates and information regarding project progress, estimated start dates, construction periods, locations and funding sources.

The "Pardon Our Paths to Progress" page is located at http://www.kenner.la.us/pages/section_2_307.asp. Please continue to check this page to alter your usual routes as you travel throughout the city and minimize your travel time.

For more information or questions regarding these projects, please contact the City of Kenner Department of Public Works at 504-468-7515.
