

NEWS RELEASE

JEFFERSON PARISH, LOUISIANA

April 3, 2013
FOR IMMEDIATE RELEASE

REPORTS OF GAS ODOR IN SEVERAL PARISHES Several Agencies are Investigating

Jefferson Parish, along with several other regional parishes, has been experiencing a large volume of calls relative to a gas odor in the atmosphere. Jefferson Parish Officials have been working with the Louisiana Department of Environmental Quality and U.S. Coast Guard to investigate and locate a source of this reported odor.

At this time, no source has been identified and local, state, and federal agencies are continuing to investigate to find the origin of this issue.

LA DEQ is also taking complaints of this issue on their hotline number, 1-877-925-6595.
