

OCCUPATIONAL LICENSE RENEWALS NOW AVAILABLE ONLINE

FOR IMMEDIATE RELEASE
MAY 3, 2012

The Department of Inspections and Code Enforcement, in collaboration with the Department of Information Technology and Telecommunications is proud to announce the availability of online occupational license renewals via the City of Kenner's website as of today.

This service allows Kenner business owners to renew their occupational licenses conveniently from their computers at home or at their businesses. This feature precedes a launch of a brand new business licensing page complete with all of the information a business owner will need to operate within the city. This new site, complete with new business forms and online information will be available in the upcoming weeks.

To renew your occupational license, please visit the City of Kenner's website at www.kenner.la.us. You can click the fast access button located on the home page or click Government--Inspections and Code Enforcement--Occupational License Renewal.
