CODE INSPECTORS HAND OUT 64 WARNING NOTICES ON WEST LOYOLA DRIVE

Kenner, LA. – Inspectors from the Code and Road Inspections Unit issued 64 warning notices for code violations discovered during a sweep Tuesday of the 3500 to 3700 blocks of West Loyola Drive, said Interim Code Enforcement Director Rick Walther.

The sweep was requested by District 5 Councilman Dominick Impastato, after his office received a number of complaints about property issues on the street.

“We have heard from a number of concerned citizens in that area,” Impastato said. “We appreciate the efforts of our code department to ensure that the city rules are followed across the board by all citizens so that we can all enjoy the benefits of living in a safe, prosperous community. We hope the warnings will suffice to help the community develop and get some of these problematic conditions rectified for the benefit of all of our citizens, especially those in these affected areas.”

Building permit required	1
Building maintenance	2
