## MAYOR ZAHN IN DISCUSSIONS WITH NATIONAL DEVELOPER; LAKEFRONT RESORT PLANS MOVING FORWARD

**Kenner, LA.** – Mayor Ben Zahn, District 3 Councilman-Elect Glenn Hayes and Atlantis CEO Donald Bailey met today to review a proposal for a destination resort at Laketown Kenner.

"We are exploring a multifaceted development which could include restaurants, retail, hotels and entertainment venues to serve locals and visitors alike," said Zahn, who has been in discussions with Atlantis for approximately six months. "The plans will showcase Kenner's beautiful lakefront and the great potential of Kenner Laketown."

Atlantis CEO Donald Bailey is looking forward to working closely with Mayor Zahn and the city. "We believe Laketown is in a unique position to become a total destination resort for Kenner and the region. It offers a rare opportunity for an unparalleled development not seen anywhere in the entire metropolitan area," said Bailey.

Engineers and architects are currently reviewing the area to develop a more technical site plan.

"What Atlantis can bring to the table is a tremendous economic transformation for the city of Kenner," Zahn said. "We will be working shoulder-to-shoulder providing input and guidance every step of the way to make us all Kenner Proud."
