CHRISTMAS TREE RECYCLING PROGRAM UPDATE

Kenner, LA. – Trees will continue to be collected in Kenner on Saturday, Jan. 14. The collection, originally scheduled to begin on Thursday, began on Friday instead. The collection will conclude on Saturday, officials said.

The collection is part of Jefferson Parish's 27th Annual Christmas Tree Recycling Project and the trees will be used either for marsh restoration or for composting.

All trees must be clean and without flocking – no tinsel, ornaments, lights or tree stands. Trees that are flocked or are not completely cleaned will not be eligible for the recycling project and will be picked up instead as part of regular garbage collection.
