COMMUNITY OUTREACH MEETING ON PROPOSED I-10/LOYOLA INTERCHANGE TO BE HELD WEDNESDAY AT SUSAN PARK GYM

Kenner, LA – A Community Outreach Meeting regarding the proposed Interstate 10/Loyola Drive Interchange will be held from 5 to 7 p.m. on Wednesday, Aug. 15 at Susan Park Gym, 502 Veterans Blvd., officials said.

The meeting has been requested by officials from the state Department of Transportation and Development and the Federal Highway Administration.

Wednesday's meeting will be similar to the public meeting held recently at the City Park Pavilion offering different options being considered for the interchange, which is designed to help with the traffic demand anticipated for the new North Terminal, schedule to open in 2019 at Louis Armstrong New Orleans International Airport.

Kenner Mayor Ben Zahn and District 1 Councilman Gregory Carroll urged residents with an interest in the project to come to the gym on Wednesday and submit their comments, get any questions they may have answered and submit comments for highway officials, if they have not already done so.

"This project will not only have a direct impact on District 1's residents of Veterans Heights, Susan Park, Loyola, Lincoln Manor and surrounding businesses but also anyone using the Loyola/Veterans Boulevard corridor," Carroll said. "This is an opportunity for all of us to voice our comments, concerns and ideas."

Mayor Zahn agreed. "I am glad the state has decided to have a second meeting," he said. "Holding this in Susan Park will be more convenient for some of the residents and business owners who will be most affected, but I hope any Kenner resident with concerns about this project attends this meeting."
