DAMAGE REPORTED FROM APPARENT TORNADO; CITY HELP LINE ACTIVATED

Kenner, LA. – The National Weather Service and Jefferson Parish Emergency officials reported that a tornado funnel spotted at Armstrong New Orleans International Airport apparently traveled southwest and touched down in a field near Oakland subdivision, triggering several reports of damage.

Reports have been received regarding damage to cars in a lot west of the airport and damage to a roof was reported in the 500 block of Salvadore Lane. Damage also has been reported in the 500 block of Centanni Road.

Additionally, a large tree was reported down in the 700 block of Pollock Road and Entergy officials have been notified.

Acting Mayor Michael Sigur has ordered the activation of the Kenner Emergency Action Team and the Kenner Help Line – (504) 468-HELP also has been activated for residents to report any damage related to the weather.

Power outages can be reported by calling Entergy at 1-800-9OUTAGE.
