## News Release

**E. "BEN" ZAHN III**  
MAYOR

**FOR IMMEDIATE RELEASE**

**March 13, 2020**

## **KENNER OFFICES CLOSED TO PUBLIC ON MONDAY, CITY SERVICES TO RESUME ON TUESDAY AT THE PONTCHARTRAIN CENTER**

**Kenner, LA.** – Kenner Mayor Ben Zahn announced that Kenner City offices will be closed to the public on Monday, and services will resume on Tuesday at the Pontchartrain Center for finance, clerk of court, community development and code enforcement.

The Brake Tag station also will be closed beginning Monday until further notice.

Mayor Zahn said the decision to centralize services at the Pontchartrain Center is an effort to practice social distancing recommended by health officials and to do as much as possible to prevent the spread of the coronavirus.

Mayor Zahn announced earlier today that recreational events have been canceled and facilities will be closed until further notice. City employees relocated to the Pontchartrain Center can be reached by calling their regular department phone numbers.

Some of the services available at the Pontchartrain Center include submitting documents for Code permits, paying property taxes and receiving additional instruction for City Court payments or scheduled appearances.

Residents also will be able to submit documents to determine eligibility for Community Development programs, and documents will also be received to determine eligibility for services from the Food Bank.

For residents coming to the Food Bank at 317 Oxley Street for food, they should drive to the back of the building and open the trunks to their vehicles and an employee will load food into the vehicles.

Mayor Zahn thanked the public for their understanding and cooperation during this difficult time as city government continues to provide necessary services while at the same time keeping the safety of residents and employees a top priority.
