MOVIES IN THE PARK SCHEDULED FOR TONIGHT IN RIVERTOWN IS CANCELED

Kenner, LA. - Due to the weather forecast that calls for occasional heavy rains throughout the rest of today and this evening, Movies in the Park and the showing of *Ironman 3* for tonight has been canceled, Kenner Mayor Michael Yenni announced.

"I didn't make this decision lightly because of the popularity of our free Movie in the Park series," Yenni said. "But this is about safety for everyone and that has to be the primary concern."

Movies in the Park is a yearly free attraction every weekend in May, and record crowds have been coming out to Heritage Park in Rivertown for an evening of family-friendly fun all month long.

Yenni urged Kenner residents and others interested in a free party to come out to Rivertown on June 6 at 6:30 p.m. for the Main Street Kickoff celebration. There will be two bands, classic cars, food, crafts and fun.
