CODE SWEEP UNCOVERS 82 VIOLATIONS

Kenner, LA. – Inspectors from the Kenner Road and Inspections Division discovered 82 violations during a code sweep of the 2600 and 2700 blocks of Tupelo and Acron streets and the 900 block of 24th Street, according to Assistant Inspection & Code Enforcement Director Rick Walther.

The violations, found during a code sweep on Thursday included:

Abandoned vehicles	12
Abandoned refrigerators	3
Building maintenance	2
Address required	13
Fascia/soffit	5
Fence repair	1
High grass	9
Illegal discharge	1
Litter/debris	17
Oversized vehicle	1
Occupational license	2
Repair or demo required	2
Unsafe electrical conditions	8
Unsafe plumbing	2
Unsafe mechanical	3
Rodent proofing	1

Walther and Code Enforcement Director Aimee Vallot said the code sweeps are often triggered by complaints received from the public. The goal of the sweeps is to make sure property owners follow all city rules and regulations.
