

CITY OF KENNER

PRESS RELEASE

MICHAEL S. YENNI

Mayor

FOR IMMEDIATE RELEASE
Kenner, LA – October 11, 2013

Sewer Project to Impact Traffic

An improvement project to replace a sewer lift station and install a new force main is expected to periodically disrupt traffic on Veterans Boulevard near Indiana Avenue when the work begins later this month.

The project will require the closure of one lane on Veterans Boulevard in both directions for three to five months, although the contractor is working to reduce the length of this disruption, said Public Works Director Jose Gonzalez. The lane closures will be limited to the immediate vicinity of Veterans and Indiana.

The entire project should be finished in about eight months, assuming no weather issues or other complications. For more information on the project, go to http://www.kenner.la.us/pages/section_307_322.asp.

Anyone with questions or concerns regarding this project can contact the Public Works Department, 468-7515.
