### TOWN HALL MEETING ON MONDAY AT CITY PARK PAVILION WITH STATE COMMISSIONER OF AGRICULTURE

**Kenner, LA.** – Kenner Mayor Ben Zahn invites the public to join Louisiana Commissioner of Agriculture and Forestry, Dr. Mike Strain, on Monday, June 24, 2019, 5:30pm – 7:00pm, at the Kenner City Park Pavilion, 3800 Loyola Drive.

Dr. Strain will be speaking about important topics facing our communities that affect our everyday lives, and he will be taking questions from the public.

While many of us may not realize it, the agriculture and forestry industries touch the lives of everyone in the state. The Louisiana Department of Agriculture and Forestry administers programs and enforces regulations that affect every aspect of those two industries. Together, agriculture and forestry have a \$10 billion impact annually to our state's economy and are imperative to the economic growth and prosperity of the state.

The following are among many programs offered under the Department of Agriculture and Forestry:

- Agriculture Chemistry Program
- Pesticide and Environmental Program
- Soil and Water Conservation Program
- Federal and State Meat Program
