## KENNER TURNS LIGHTS TURQUOISE FOR NATIONAL WOMEN'S LUNG HEALTH WEEK

**Kenner, LA.** – Kenner has turned city lights turquoise to increase awareness and to recognize National Women's Lung Health Week, which continues through Friday.

The Turquoise Takeover is a part of the national event, and filters have been placed over the lights at all of the city's welcome signs and at City Hall, which will remain turquoise throughout the month.

Lung cancer is the No. 1 cancer killer of women in the country, according to the American Lung Association. A woman is diagnosed with lung cancer every five minutes in the US.
