TWO LANES OF LOYOLA DRIVE CLOSED FOR WATER MAIN REPAIR

Kenner, LA. – The two northbound left lanes of Loyola Drive at the intersection with West Esplanade Avenue are closed as part of emergency work being conducted today (Jan. 27) to repair a water main, officials said.

Fleming Construction will be repairing the main at a cost of \$5,000. During the closure, drivers will be required to merge into the right lane.

All work is expected to be finished by 6 p.m., barring any contractor delay and weather permitting. Kenner Mayor Ben Zahn said the repairs are the responsibility of Jefferson Parish, which is overseeing the work.
