

# **NEWS RELEASE**

**JEFFERSON PARISH, LOUISIANA**

September 18, 2014  
**FOR IMMEDIATE RELEASE**

## **AERIAL SPRAYING FOR MOSQUITOES TO TAKE PLACE in KENNER, ELSEWHERE ON EAST BANK AND WEST BANK**

Aerial spraying in response to nuisance mosquito activity is scheduled to take place on the East and West Banks of Jefferson Parish on the evening of Friday September 19, 2014, over parts of Kenner, River Ridge, Harahan, Harvey, Gretna, Crown Point, Lafitte, and Barataria, weather conditions permitting.

Low-level aerial spraying will take place from 7:00 p.m. to 10:30 p.m. If weather conditions on the evening of September 19, 2014 force the cancellation of the scheduled flights, aerial spraying will take place on the first subsequent evening on which weather conditions permit.

For more information, contact Marnie Winter, Director of Jefferson Parish Department of Environmental Affairs, at 736-6440
