

NEWS RELEASE

JEFFERSON PARISH, LOUISIANA

July 16, 2012

For Immediate Release

Mosquito Spraying Scheduled for East Bank and West Bank

Aerial spraying in response to elevated nuisance mosquito counts is scheduled to take place on the evening of Wednesday, July 18, 2012, over parts of Jefferson Parish.

Low-level aerial spraying will take place on the East and West Bank of Jefferson Parish from 8:00 p.m. – 11:00 p.m. The boundaries to be sprayed are as follows:

West Bank:

- 1) *Gretna /Harvey-Marrero*, in the area bounded by the Mississippi River on the north, the West Bank Expressway on the south, the Orleans/Jefferson Parish line on the east and Barataria Boulevard on the west.
- 2) *Westwego*, in the area bounded by the Mississippi River on the north, Lapalco Boulevard on the south, Victory Drive on the east and Nine Mile Point Road on the west.
- 3) *Waggaman*, in the area bounded by the Mississippi River on the north, Live Oak Boulevard on the south, Modern Farms on the east and the Jefferson/St. Charles Parish line on the west.

East Bank

- 1) Metairie, in the area bounded by Veterans Memorial Boulevard on the north, Airline Drive on the south, Causeway Boulevard on the east and Williams Boulevard on the west.
- 2) Harahan/River Ridge, in the area bounded by Airline Drive on the north, the Mississippi River on the south, Clearview Parkway on the east and Williams Boulevard on the west.
- 3) Kenner, in the area bounded by Lake Pontchartrain on the north, the Louis Armstrong International Airport on the south, Williams Boulevard on the east and the St. Charles/Jefferson Parish line on the west.

If weather conditions on the evening of July 18, 2012 force the cancellation of the scheduled flight, aerial spraying will take place on the first subsequent evening on which weather conditions permit. For more information, contact Marnie Winter, Director, Jefferson Parish Department of Environmental Affairs, at 731-4612.
