**FOR IMMEDIATE RELEASE**  
**July 11, 2014**

### ABOUT 1,600 CUSTOMERS IN LAKETOWN AND DRIFTWOOD SUBDIVISION WITHOUT POWER

**Kenner, LA.** – Entergy work crews were headed to the Laketown area to investigate the cause of a power outage that was affecting about 1,600 customers, according to the Entergy New Orleans website.

The outage was reported at 3:55 p.m. and power was estimated to be back on by 6 p.m. An Entergy official, reached shortly after the report of the outage, said the cause was not yet known.

The outage generally covers portions of the Driftwood subdivision and much of the area north of Vintage Drive between Williams Boulevard and Duncan Canal.
