### SATURDAY'S 'MOVIES IN THE PARK' EVENT IN RIVERTOWN CANCELED

**Kenner, LA.** – Due to the heavy rain that's already fallen this week, along with the forecast of more rain the rest of the week, *Movies in the Park* on Saturday in Rivertown has been canceled, Mayor Michael Yenni announced.

"With the forecast as it is, there's just no chance for Heritage Park to dry out before Saturday," Yenni said. "It's just not a good idea to fill up the park when there is mud and standing water. You're dealing with a safety issue at that point."

The movie, *Iron Man 3* was set to kick off six consecutive weekends of free movies in the park in Rivertown. On May 2, the movie, *Mr. Peabody & Sherman* is set for an 8 p.m. showing.

Check [www.kenner.la.us](http://www.kenner.la.us) for a full schedule of the remaining films scheduled for Saturday nights in May.
