

## **POLICE ESCORTS TO SPEED ENTERGY RESPONSE**

---

*August 31, 2012*

*For Immediate Release*

### **Kenner Mayor Yenni and Police Chief Steve Caraway Arrange Police Escorts to Speed Entergy Response**

Power outages throughout the City of Kenner have resulted in high traffic volume, slowing travel for Entergy trucks to their assigned destinations. As a result, Mayor Yenni has collaborated with Chief Caraway to provide police escorts for Entergy trucks.

This will expedite the services of Entergy and provide speedier power restoration. Residents and business owners are asked to travel out of necessity only, in an effort to not impede the recovery efforts. Also, assistance in clearing debris from streets will allow Entergy trucks to travel at a faster pace.

For more information, call Kenner's Emergency Operations Center at (504) 468-7200.
