

NEWS RELEASE

JEFFERSON PARISH, LOUISIANA

August 18, 2014
FOR IMMEDIATE RELEASE

AERIAL SPRAYING FOR MOSQUITOES

Aerial spraying in response to nuisance mosquito activity is scheduled to take place on the East and West Banks of Jefferson Parish on the evening of Wednesday August 20, 2014, over parts of **Kenner**, River Ridge/Harahan, Marrero, Bridge City/Westwego, and Lafitte/Barataria, weather conditions permitting.

Low-level aerial spraying will take place from 7:45 p.m. to 10:30 p.m. If weather conditions on the evening of August 20, 2014, force the cancellation of the scheduled flights, aerial spraying will take place on the first subsequent evening on which weather conditions permit.

For more information, contact Marnie Winter, Director of Jefferson Parish Department of Environmental Affairs, at 736-6440.
