MAYOR YENNI GIVES STATE OF CITY ADDRESS AT NOON

Kenner, LA. – Kenner Mayor Michael Yenni talks about the city’s promising future during his annual State of the City address at noon today at Chateau Golf & Country Club, 3600 Chateau Blvd.

Yenni will talk about future plans for the Laketown area, which was recently selected to host a nationally televised Pro Beach Volleyball tournament in May, and explain why Kenner is “safe, sound and strong.”

Yenni, who just completed the first year of his second term as mayor, also will talk about the progress of the 2030 Plan – specifically corridor enhancements that are designed both to beautify and improve the safety of key corridors throughout the city.

The mayor’s state of the city talk will be given during a luncheon hosted by the Kenner Business Association. The public is invited to attend. The cost for non-members is \$35 and can be paid at the door.
