TIRE FROM TRACTOR TRAILER CAUSES MINOR DAMAGE TO HERITAGE HALL

Kenner, LA. – An accident Wednesday morning involving a tractor-trailer caused minor damage to Heritage Hall in Rivertown when a tire came off the truck and smashed into a window on the east side of the building, officials said.

No one was injured and damage to Heritage Hall was minimal, said Doug Dodt, Kenner’s Emergency Preparedness Coordinator.

The truck was headed west on Rev. Richard Wilson Drive between Felix Street and Williams Boulevard when a tire came off the trailer, traveled across the two lanes of Williams, hit a curb on the west side of the street and bounced up and smashed into a window on the east side of Heritage Hall, Dodt said.

Damage was limited to the window, blinds and some abrasions to the interior wall, Dodt said. “Fortunately, no other motorists or pedestrians were in the immediate area at the time of the mishap,” Dodt said. The truck driver removed the tire.
