### MAYOR, NON-PROFIT TO HOLD PRESS CONFERENCE TOMORROW

Kenner Mayor Mike Yenni and Deutsches Haus Chairman Keith Olberman will hold a press conference tomorrow, Oct. 5, at 10 a.m., at 405 Williams Blvd. in Kenner to announce details of the upcoming Oktoberfest.

Oktoberfest is hosted each year by Deutsches Haus, a non-profit organization dedicated to preserving and promoting German culture in the greater New Orleans area. Last year, Deutsches Haus had to vacate its longtime home in downtown New Orleans and has taken up residence at a smaller location in Metairie. Because the size of its temporary home was incompatible with the large crowds Oktoberfest draws each year, Mayor Yenni offered to host the event in Kenner's Rivertown.

Yenni and Olberman will announce details of the event, which will take place October 14-16 & 21-23. For more information about Oktoberfest, visit [www.DeutschesHaus.com](http://www.DeutschesHaus.com).
