*August 31, 2011  
For Immediate Release*

The City of Kenner is proud to announce that as of August 31, 2011, K-TV is available to U-verse customers. U-verse viewers can access K-TV by going to Channel 99 and selecting Kenner Government Access or by selecting Menu, scrolling down to the Government, Education and Public Access option and selecting Kenner Government Access.

Mayor Mike Yenni said "K-TV is a valuable asset to the City of Kenner and essential to facilitating information to the residents, business owners, and visitors in the City. I am positive that its availability to U-verse customers will strengthen K-TV's presence in our community and enrich the communication capabilities of the City of Kenner to its citizens."

A cooperative effort by the Mayor, members of the City Council, the Department of Information Technology and Telecommunications, K-TV and AT & T has allowed for the City to make this plentiful resource available to all U-verse customers.
