

# WATERFORD 3 NUCLEAR UNIT EMERGENCY PUBLIC INFORMATION

Map of the 16 Sections around Waterford 3

## WHAT TO DO IF THERE IS AN EMERGENCY AT THE WATERFORD 3 NUCLEAR UNIT

A Message to Persons Who Live, Work or Are Visiting in the Sections Shown on the Map

### What will happen in an emergency at Waterford 3?

If there is a problem, state and parish officials will decide how severe it is. Most problems will not affect you. If the experts decide there is a serious emergency, however, you may have to protect yourself.

### How will you know if there is an emergency?

Look at the map at left. If you are in one of the numbered sections, you will be warned in one or more of these ways.

- Sirens will go on.
- Radio and TV stations will broadcast warnings.
- Firemen and deputies may go through the area to warn you.

### What should you do in an emergency?

— Stay as calm as you can. You will have some time to take the needed steps. Remember that nuclear plants do not explode.

- Tune your radio or TV set to one of the stations below for information.

- ★ Radio - WWL-870 AM
- ★ Radio - WLMG - 101.9 FM
- ★ Radio - 1370-AM (St. Charles)

- ★ TV - Channels 4-WVL, 6-WDSU, 8-WVUE, 26-WGNO, COX 6 (St. Charles) and Time Warner or RTC Channel 15 (St. John).
- Follow the advice given for the Section of the map you are in. (See chart below map.)

### What should you NOT do?

- DO NOT use your telephone unless you or someone you know is injured or too sick to do what is necessary.
- DO NOT call or go to your children's school. Special care will be taken of school children.
- DO NOT leave the section of the map you are in unless told to do so.

### What if you are told to PROTECT YOUR BREATHING?

- Cover your nose and mouth with a handkerchief or other cloth.
- Close the windows and doors if you are in a building or car. Turn the vent or A/C to "recirc" or "max" if you are in a car.
- Turn off window and attic fans.
- Turn heating or cooling systems to "recirc" or "vent closed" if available. If not, turn off heating or cooling systems.

### What if you are told to SHELTER IN PLACE?

- Go inside your house or some other building.
- Stay inside until your radio or TV says you can leave safely.
- Close all doors and windows.
- Turn off window and attic fans.
- Turn heating or cooling systems to "recirc" or "vent closed" if available. If not, turn off heating or cooling systems.
- Keep your pets inside.
- Listen to the radio or TV stations for further advice.

### What if you are told to EVACUATE?

- Be sure that this order applies to your section of the map. If it does, follow the next steps.
- Get your family together and prepare to leave. If you have children in school, they will be taken to the reception center for their school. You will be told by radio or TV where to pick up your children.
- Pack only what you will need most, such as prescription drugs, other important medicines, a first aid kit, some way to identify yourself, baby supplies, portable radio and flashlight (if you have them), cell phone and batteries, checkbook and credit cards.

### What about your house?

- Turn off the lights and household appliances. Leave the refrigerator and freezer on.
- Lock your house. The section where you live will be guarded while you are away.

### How should you travel?

- Use your own car if you can. Use only one car or other vehicle per family.
- Take neighbors who need a ride, if you have room.
- Turn on your car radio for information.
- ★ Radio - WWL-870 AM
- ★ Radio - WLMG - 101.9 FM
- ★ Radio - 1370-AM (St. Charles)
- Go to the reception center for your section of the map. (See chart below map.) This chart and the radio or TV will tell you where to go.
- Drive safely. Traffic will be heavy. Deputies along your route will help with the traffic.

### What if you have no car?

- Ride with one of your neighbors if you can.
- Go to one of the pickup points listed on the map if you have no ride. You can get a ride there.

### How can you get more information to plan ahead for a possible emergency?

- Read the booklet called Safety Information. You can get a copy from one of these offices.
- ★ St. Charles Parish Department of Emergency Preparedness, Parish Courthouse, 15045 River Road (Highway 18), Hahnville, La. Phone Number (985) 783-5050.
- ★ St. John the Baptist Parish Emergency Preparedness, Emergency Operations Center, 1801 West Airline Highway, LaPlace, La. Phone Number (985) 652-2222.
- Call or write one of the offices if you have any questions about the booklet.
