### **KENNER COUNCIL APRIL DATES MOVED BACK A WEEK**

#### **First Meeting of Month Conflicted With Holy Week**

The April meeting dates for the Kenner City Council were moved back a week at the January 21 City Council meeting because of potential conflicts with Easter vacation. As a result, the April 1 meeting date was shifted to April 8 and the April 15 meeting was shifted to April 22.

Many area people, including those who have business before the council, traditionally go out of town during the week before Easter. The office of the City Clerk said the second meeting was moved to maintain spacing and flow between legislation adopted at the two meetings.
