33rd STREET CLOSED A WEEK FOR REPAIRS **Repairs Between Power Boulevard & David Drive**

Jefferson Parish has announced that starting Monday, April 26, 2010, 33rd Street was closed between Power Boulevard and David Drive for replacement of concrete street panels and curbing.

The street is expected to remain closed until 3 p.m. Monday, May 3.

During the closure motorists traveling southbound on Power Boulevard will not be able to make a right on 33rd Street; motorists must detour right on Bruin Drive, right on David Drive and left on 33rd Street.

Kass Brothers Construction Company is replacing curb and street panels at an estimated cost of \$37,000. The repair work is expected to be completed on May 5, 2010, barring any unforeseen contractor delay and weather permitting.
