

Medical Needs Registry

If you have serious medical needs and cannot evacuate with family or friends, you can enroll in the Medical Needs Registry. People who should register:

- If you have medical equipment such as a ventilator, feeding tube, suction machine or oxygen concentrator,
- If you use a mobility device such as a walker, wheelchair, or electric scooter and cannot get to a bus stop,
- If you receive home health or hospice services.

Register online scanning the QR code or by calling (504) 323-1818 and leaving a message with your name and phone number.

If the Parish President declares a mandatory evacuation prior to a hurricane, you may qualify to get extra assistance to evacuate to a shelter.

It is best to enroll ahead of time so that Jefferson Parish can request the correct number of transportation resources. Jefferson Parish cannot guarantee services and the best way to evacuate is with your family or friends.
