

MyDOTD SERVICE OFFERS ROADWAY ALERTS TO MOTORISTS

The Louisiana Department of Transportation and Development *MyDOTD* is a service designed to make it easier for recipients to receive customized local, regional or statewide information on road closures, work projects and construction zones. You will find the *MyDOTD* link in the top right-hand corner of the [DOTD Website](#).

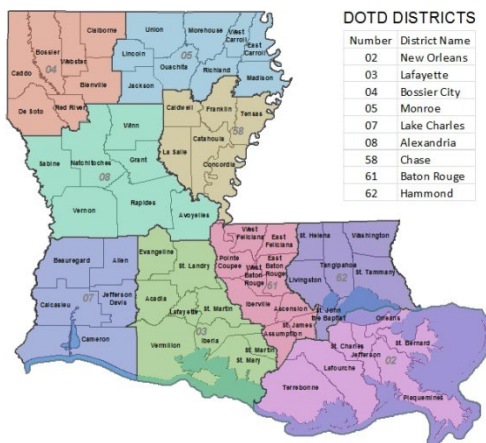

Signing Up Is Easy

The *MyDOTD* service will require an email address, password and zip code to create an account. Once you have created an account you will receive an email asking you to verify your email address. This message will include a link that will provide you access to *MyDOTD*, where you can sign in and update your profile.

Customize Your Profile to Receive Only Information You Want:

- Choose the kind of information you want to receive (lane and road closure announcements; press releases; public meeting notices).
- Choose the area of the state you are interested in (parish, region, route or project specific).
- Return to your profile at any time to edit or change.
- Unsubscribe at any time (But you will no longer receive updates via email).

Once you sign up, you will receive email alerts on conditions affecting travel in the areas that you have selected.
