

## POST DISASTER RE-ENTRY

**Following a major storm or other declared disaster, residents should not return until local officials have determined it is safe to do so. Upon return, residents should be mindful of curfews and special conditions and emergency orders.**

### Phased Re-Entry

**Re-entry will be accomplished in phases, authorized / announced by “tiers”.** The Parish / City will pre-designate qualifying businesses / agencies in each tier. This permits restoration of essential services prior to repopulation.

**Tier ER.** Only properly credentialed public officials and pre-selected and/or authorized persons will be allowed immediate entry and unrestricted access. Authorized persons include: search and rescue agents; parish / municipal fire and EMS; local, state and federal law enforcement; homeland security officials; emergency management officials; military (including National Guard and Coast Guard); and other emergency response personnel providing support of Critical Infrastructure and Key Resources (CI / KR), based upon the discretion of local authorities.

**Tier 1.** Allows for re-entry of major utility companies, pre-designated government contractors, suppliers of emergency relief goods and equipment and others necessary for the restoration of critical infrastructure and the support of emergency response efforts.

**Tier 2.** Allows for the re-entry of humanitarian relief agencies and small disaster response teams of large businesses essential to the economy of Jefferson Parish / Kenner as well as those with unique circumstances such as fragile inventory or hazardous materials.

**Tier 3.** The final stage before residents return. Includes businesses that are essential to the imminent return of residents and to the economic vitality of Jefferson Parish / Kenner.

### Credentials and Placards

The following is a listing of the type of identification that will be required to gain access at checkpoints established by law enforcement authorities in Kenner:

**Critical Infrastructure Owners and Operators:** These individuals, including contractors, subcontractors, and employees, must have the following forms of identification:

1. EACH VEHICLE must display an authentic Parish Re-Entry Placard (PREP).

## POST DISASTER RE-ENTRY

Jefferson Parish companies may register for a PREP through the JP Department of Emergency Management via the [www.JumpStartJefferson.com](http://www.JumpStartJefferson.com) site.

2. EACH OCCUPANT must have a valid state driver's license and company-issued photo identification.
3. Marked company vehicles (companies should have standardized markings).
4. EACH OCCUPANT must have a Letter of Access Authorization (LOA) issued by the company containing a supervisor / contact name and verified phone number. The LOA will state that the bearer and vehicle is an authorized responder to the event, the reason, and may assign an Emergency Support Function.

**Residents: WHEN RESIDENTIAL RETURN IS AUTHORIZED AND ANNOUNCED BY LOCAL AUTHORITIES.** Some form of personal identification will be requested in order to permit individuals to pass into residential and business areas in Kenner. State issued picture identification (driver's license, state identification card) will be accepted. Other documents that may be utilized include: passport, business identification, student identification, military identification, or government credentials. Other supporting identification, including vehicle registration, utility bills, Social Security card, insurance identification card, Medicare card, etc., may be used in conjunction with primary sources of identification.
