Kenner, LA. – (May 17, 2024)

## **City of Kenner Mayor's Court Canceled Today; Telephone Lines and Email Offline Due to Power Outages**

After a night of severe thunderstorms, the City of Kenner is recovering today deploying crews to clear roadways of tree limbs and other debris. While Entergy is working diligently to restore power outages, some Kenner buildings remain without power at this time.

As a result, Mayor's Court is canceled today and the City of Kenner Office of Inspections and Code Enforcement remains closed until power is restored. All City of Kenner phone lines and email are down at this time.

As it relates to scheduled events, the American Veterans Traveling Tribute Wall Opening Ceremony scheduled for 9:30am this morning will go on as scheduled. A final decision regarding Music in the Park scheduled for tonight will be made later today.

Motorists and pedestrians are asked to proceed with caution as a number of traffic signals are offline throughout the city and crews are still out clearing roadways.
