CITY OF KENNER TO NAME MUSS BERTOLINO STADIUM'S FIELD AS "ED DANIELS FIELD"

Kenner, LA- (August 23, 2024) The City of Kenner is proud to announce the naming of the stadium at Muss Bertolino Playground in honor of Ed Daniels, Kenner resident, longtime WGNO Sports Director, and legendary sports journalist who personified the excitement and tradition of "Friday Night Lights" in the New Orleans Metropolitan area.

"The newly named "Ed Daniels Field" recognizes Mr. Daniels' decades-long dedication to covering and promoting high school sports. His passion for athletics, and his unwavering commitment to shining light on the talent and accomplishments of countless young athletes was unmatched by any other," said Kenner Mayor Mike Glaser. "In naming the field after him, the City of Kenner acknowledges his profound impact on our local sports culture and his enduring legacy."

Muss Bertolino's stadium has long been a central hub for local sports in Kenner. The Kenner City Council is set to vote on the naming of this field at the upcoming council meeting scheduled for Thursday, September 5, 2024. Details regarding the official dedication ceremony will be forthcoming.
